

# LOOK AT ME!

By: Rick Recht & Sheldon Low

My ahf  helps me smell things. My oznayim  help me hear.

My einayim  help me see you, if you're far or if you're near.

My yadayim  help me feel things, My lashon  helps me taste.

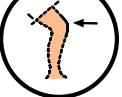

My raglayim  are for walking or for running in a race.

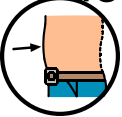

Look, look, look, look, look, Look at me, look at me,

I have a healthy body you can see, I'm the proudest kid in the whole wide world  
and I'm so lucky to be me!

My lev  beats in my chest, my rosh  helps me think.

My tachat  helps me sit, my lashon  helps me drink.

My tzfatayim  help me kiss, my birkayim  help me bend.

I've got a betten  on my belly that I tickle now and then.

I'm so thankful that I'm

I'm so happy to be me, YIPPIE!
