

# Sometimes It Gets Noisy On Purim

A Purim Social Story

I celebrate Purim.

# It's Going To Be So Much Fun!

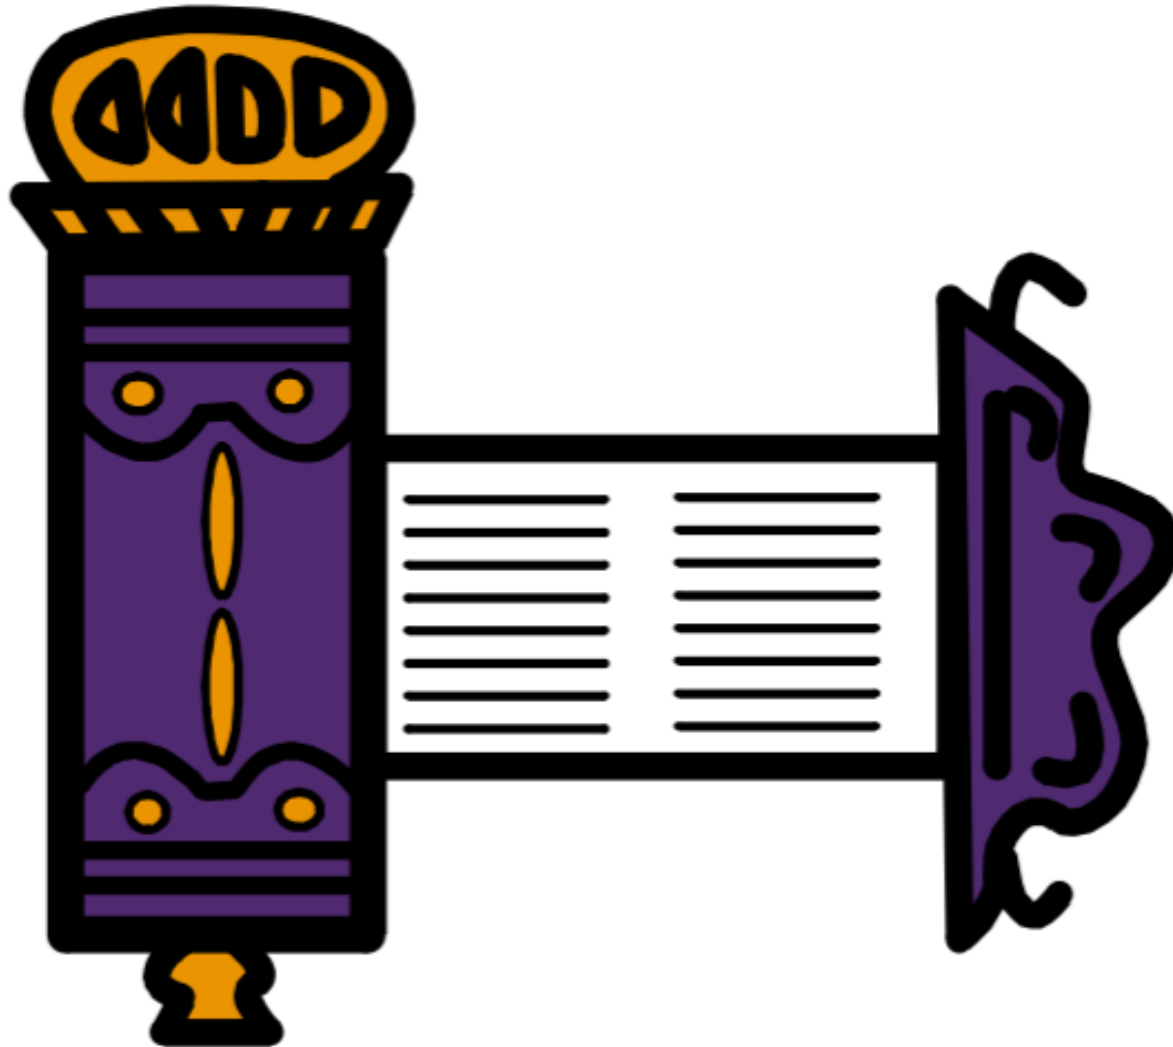

I am going to synagogue.

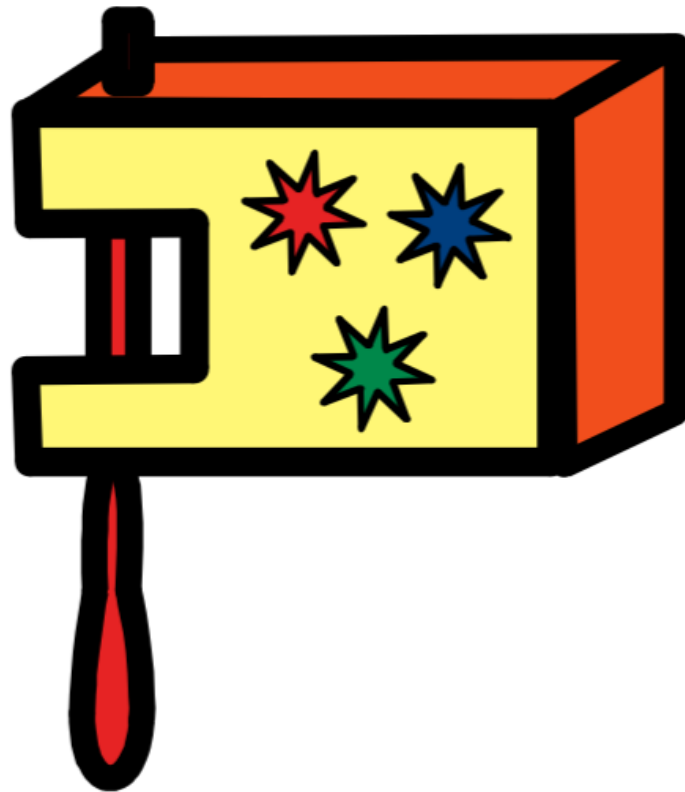

I am going to wear a costume.

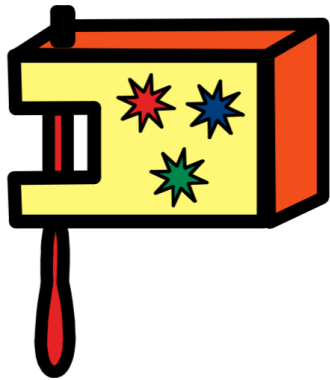

I will hear the Megillah read.

I will shake my gragger when I  
hear Hamen's name.

When Hamen's name is read it will be VERY noisy and I may not like it.

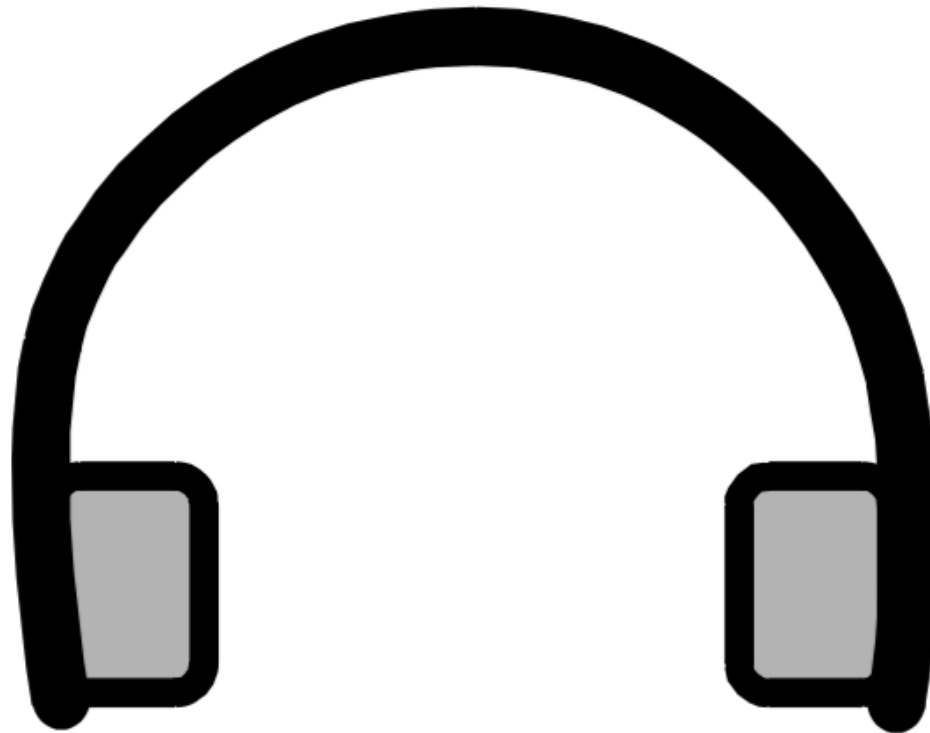

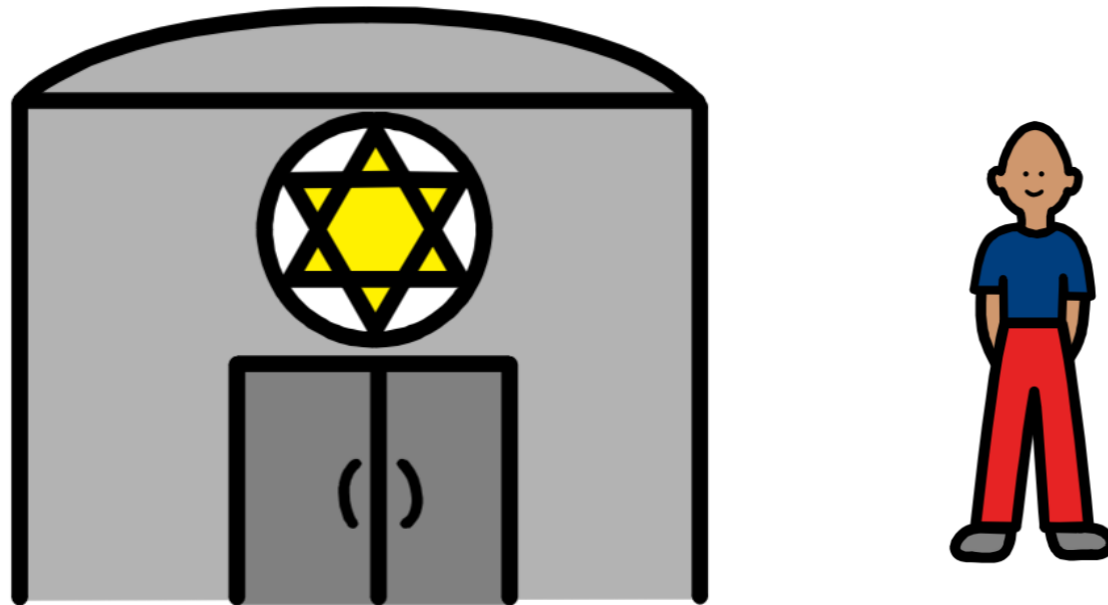

If I don't like the noise I can cover my ears.

If I don't like the noise I can wear  
headphones.

And if I still don't like the noise I can go outside the sanctuary to take a break.

I had so much fun celebrating Purim!
