

Sometimes I Have To Wait Your Turn!

A Purim Carnival Social Story

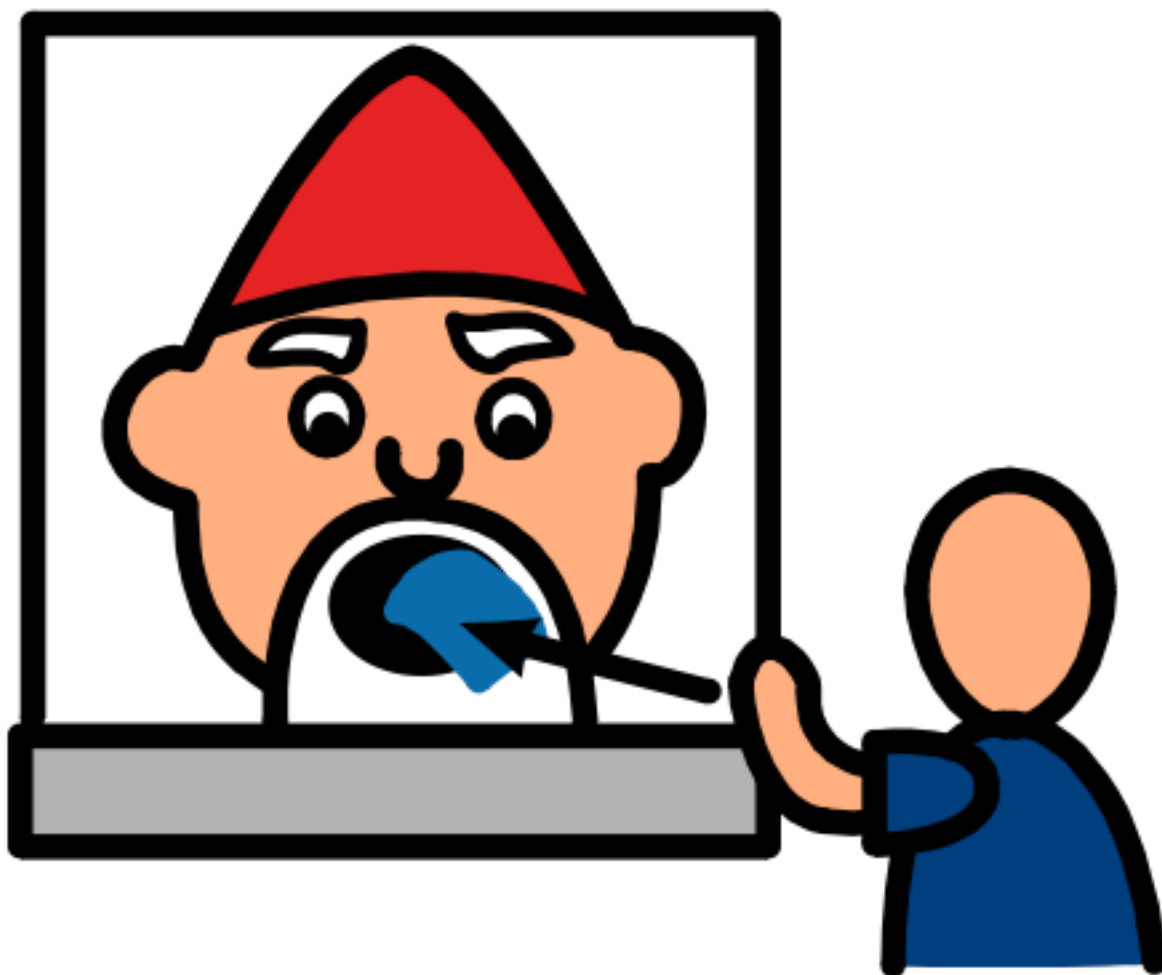

I am going to a Purim carnival!

I am going to have so much fun!

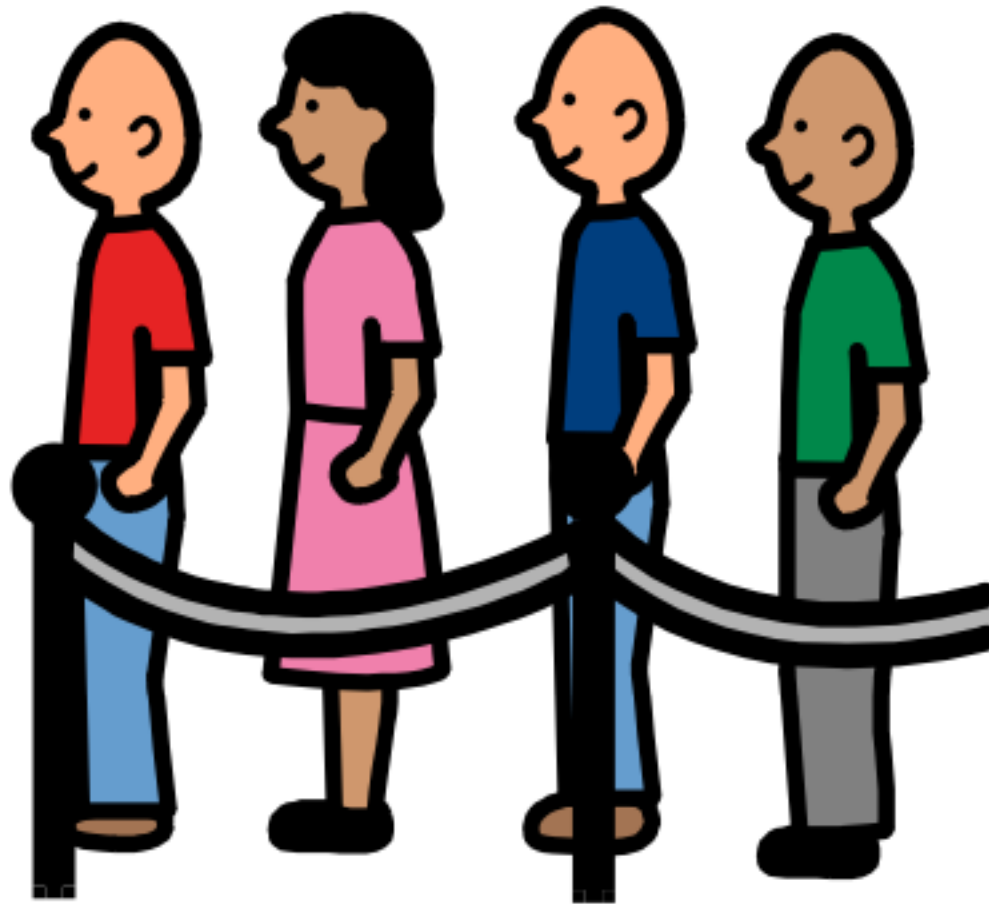

I am going to play games!

I will eat Hamentashen!

Sometimes I may need to wait on line until it is my turn.

Waiting in line can be fun. I can pass the time by...

Talking to a friend.

Looking at peoples costumes.

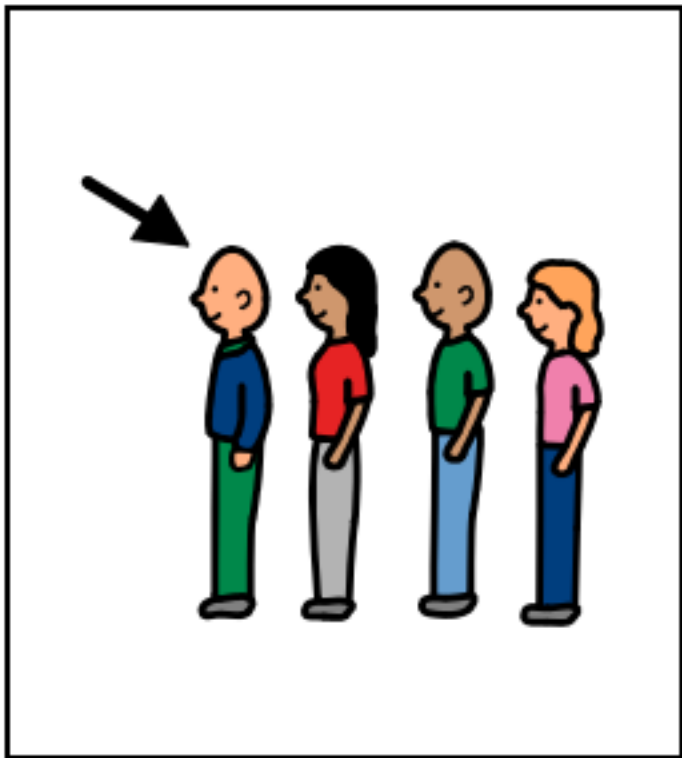

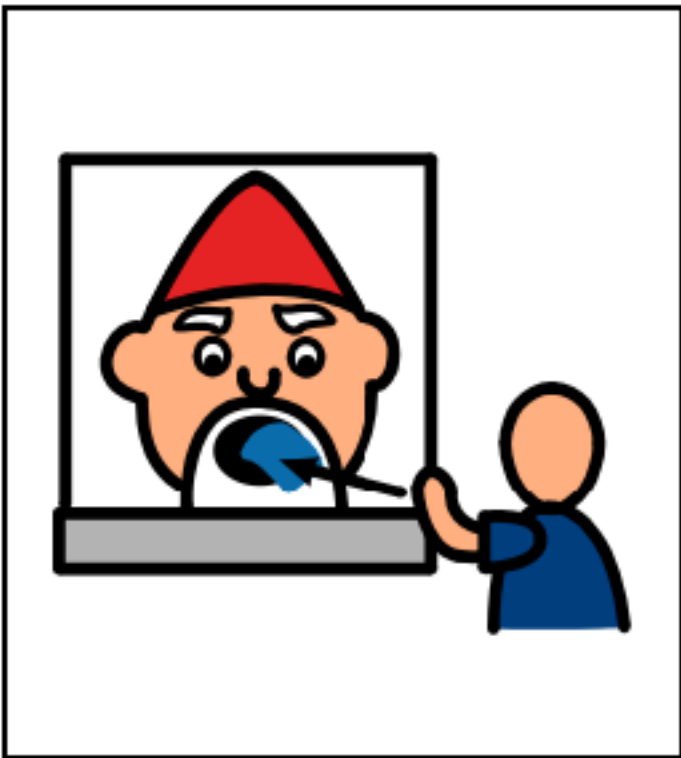

Singing a song.

Counting how many people are in front of me.

After I wait, it will be my turn!!

Sometimes I don't like how noisy the carnival can be.

It's ok, I can cover my ears or go outside and take a break.

I had so much fun at the Purim carnival!
