

## DIRECTIONS

**GOAL:** To collect the most pairs of cards.

**SETUP:** Shuffle the cards and lay them on the table face down.

**GAMEPLAY:** On each turn, a player turns over two cards (one at a time) and keeps them if they match. If that player successfully matches the pair, they also get to take another turn. When a player turns over two cards that do not match, those cards are turned face down again and it becomes the next player's turn.
